CLERK SUPERIOR COURT

ADMINISTRATIVE ORDER NO. 17-11

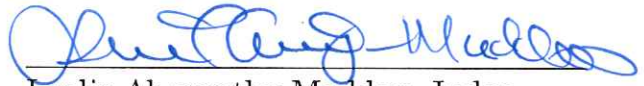

It is the finding of this Court that traffic citations that order the accused to appear in the "City of Cumming Police Department" or other description of the Municipal Court of Cumming cannot be originally filed in the State Court or the Traffic Violations Bureau of Forsyth County.

Therefore, the Clerk is ordered to remove from the State Court docket and from the Odyssey Case Management System all pending citations ordering the accused to appear in the Municipal Court of Cumming, or The City of Cumming Police Department, that were originally filed with the Clerk of Court, including any case that has been noticed for a new court date for appearance in the State Court. No further action shall be taken in those cases unless and until they are properly filed in the State Court. This order does not affect any cases that were properly bound over from the Municipal Court to the State Court, nor any cases that have been disposed prior to the entry of this Order.

IT IS SO ORDERED, this 24th day of October, 2017.
